

Esker Named *Best Finance Automation Partner* at FutureCFO Excellence Awards 2024

SINGAPORE — February 23, 2024 — [Esker](#), a [global cloud platform](#) and a leader in [AI-driven process automation](#) solutions for Finance, Procurement and Customer Service functions, today announced that *FutureCFO*, Asia's leading media brand for Finance professionals, has released the names of the winners for the 3rd Annual FutureCFO Excellence Awards. Esker has received the Best Finance Automation Partner Award.

The winners were presented with their awards during a gala event held at the Fullerton Hotel in Singapore on the evening of February 22, 2024. More than 20 award recipients and finalists were recognised at the ceremony, attended by CFOs and Finance leaders from across all industries.

This year's awards received nominations from across the Asia Pacific region, spanning categories such as Leadership Practice, Business Leadership, Operational Excellence and Readers' Choice.

The Readers' Choice category gives the readers of FutureCFO — senior Finance team leaders and executives from across Asia — the chance to vote on technologies and solution providers that support corporate finance functions. Esker was voted Best Finance Automation Partner from a field of more than 10 other companies that provide Finance-focused automation solutions.

"We are honoured to be recognised as the Best Finance Automation Partner at the FutureCFO Excellence Awards. This award is a testament to Esker's commitment to excellence and our dedication to providing innovative solutions that meet the evolving needs of CFOs and Finance professionals," said Charlie Cheah, Managing Director at Esker Asia. "We would like to express our gratitude to the voters and readers of FutureCFO for their trust and support. This accolade further motivates us to continue delivering automation solutions that empower Finance teams and drive operational efficiency. We will remain committed to transforming Finance processes and contributing to the success of organisations across Asia Pacific and beyond."

Nigel Standley, publisher of FutureCFO, said: "The 3rd annual awards program was a great success, having attracted submissions from across the region. This award for Esker demonstrates their commitment to excellence and focus on providing solutions that clearly resonate with the CFOs and Finance executives who read FutureCFO."
